## Recruitment for Board of Directors – 2016-2018

The YMCA of Saskatoon is embarking on an exciting new challenge over the next few years as we work towards meeting our strategic priorities. We are looking for Board members who can help our YMCA grow to meet the future needs of our community.

We are committed to recruiting the “best” candidates to guide and direct the YMCA. These candidates ideally can contribute in a number of ways:

- Awareness and experience working with diverse community needs.
- Capital campaign experience and strong relationship-building skills. Connectivity to community networks is an asset.
- Project development experience, especially construction and /or architectural design.
- Strategic planning.

We aim to maintain a varied demographic within the Board membership. *We value the skills and experience of all interested individuals with the above qualifications.*
