Drop off and Pick up

Camp programming runs from 9:00 am – 4:00 pm. We offer before and after camp care from 7:30 am and until 6:00 pm.

Sign in and Sign Out:

It is mandatory that you sign your camper in and out of camp each day! Camp leaders will check your ID upon arrival and once your name has been verified on the authorized pick up list, you will be issued a PARENT PASS which allows you to pick up and drop off your child without showing your ID every time. At the end of the week you are to return the pass on final pick up.

Authorized Pick Ups:

You indicated on your camp form the authorized persons to pick your child up from camp. Camp leaders cannot release your child to anyone not on the list. If your plans change and someone else will pick up your child, please let the coordinator/leaders know in the morning so that they can add the person's name onto the list.

Those who are not on the Authorized Pick Up list will not be allowed to take the child(ren) off the camp premises.

Only the primary contact can add names onto the Authorized Pick Up list

Behaviour Guidelines

The YMCA is a values based, non-profit organization. It is our goal to provide a healthy, safe, and secure environment for everyone at our Day Camp. With that in mind, our staff and volunteers use a positive, values based approach to guide appropriate behaviour, and seek to reward and reinforce positive behaviour.

If a child has been given numerous warnings and the behaviour has not changed, we have the right to send the child home from camp for the day. In the instance that this has happened, you as the parent/guardian are obligated to pick your child up from camp promptly.

At the YMCA of Saskatoon, we believe that all campers:

- Are responsible for their own actions,
- Respect each other and the environment,
- Are honest and true to their word,
- Care for themselves and those around them,

Protect Your Camper from the Sun and Bugs

Your camper will spend time outside at Martensville Super Summer Camp. Here are some sunscreen and insect repellent tips!

- Use SPF 30, or more
- Use an insect repellent with less than 10% DEET
- Campers are expected to put sunscreen on themselves, but leaders will remind your camper to put on sunscreen before going outside
- Hats are important to help your camper defeat the heat of summer, as is plenty of water to stay hydrated!
