YMCA Strong Kids

The YMCA is one of Canada's oldest and most diverse charities- since our beginning in 1851, the YMCA continues to serve all ages, all backgrounds, and abilities through all stages of life. The YMCA is for everyone. We believe that everyone should be able to participate in programs they need regardless of their ability to pay the full fee. To ensure affordable access, the YMCA offers financial assistance to those who would otherwise be unable to benefit from proven programs and services.
