

EFFECTIVE JULY 11, 2021

The YMCA will be fully open with the following restrictions changed:

- **Masks are no longer required to be worn in the facility or while working out. If members and/or staff feel more comfortable wearing a mask, they are welcome to do so.**
- **Programs that are running this summer will remain as planned for capacity and how to register and we will be planning for full operations for Fall programming.**
- **Steamroom's and Sauna's will be open.**
- **Lane swimming will no longer be maxed out at 3 swimmers. The current online booking process will remain in place.**
- **We will return to regular usage numbers in our spaces: weight room, cardio, cycle, studio, gymnasium. All cardio and strength and sports equipment will again be available for use.**
- **Water fountains will be open.**
- **Seating areas/Lounge areas will be open.**

EFFECTIVE JULY 11, 2021

What the YMCA is keeping:

- **Signage will be posted to remind people to be mindful of each other's space and to sanitize.**
- **Sanitizing stations will be available.**
- **Members will be expected to clean the equipment that they use and spray bottles will be available at all entrances/exits of our weight, cardio, studio.**
- **We will continue with our current cleaning practices to ensure the safety of all members and users.**
