March 21, 2020

Dear valued YMCA member, supporter and friend,

The YMCA of Saskatoon has been offering programs and services to our community for over 112 years in the areas of Child Care, Day Camps, Health & Fitness Programs and Before & After School Programs. At the YMCA the safety and well-being of our members, participants, staff, volunteers and community have always been of utmost importance. As you know, the current pandemic situation has resulted in several YMCA program / building closures, for more information please visit ymcasaskatoon.org.

We want to assure our donors that we do have a business continuity plan in place and will ensure our YMCA weathers this unexpected situation. As we each respond to this crisis personally and professionally, we have been overwhelmed and truly humbled by the number of people who have reached out and asked to support the YMCA during this time by continuing their membership fee payments or donating their childcare refunds back to the Association, or by sending a note to the staff to check in to see how they are doing. Coming together as a local community to support one another has never been more important than it is today, and we would like to thank each and every person who is thinking of supporting local charities in the midst of this crisis.

If you would like to help the YMCA of Saskatoon, the best way to do so is to go to our online donation portal. This will ensure that your donation gets to where our YMCA needs it most. A tax receipt will be automatically generated and emailed to you.

If you prefer to donate your bi-weekly or monthly membership fees or wish to reactivate your Strong Kids donations, please email serena.dallas@ymcasaskatoon.org and she will ensure your wishes are recorded and tax receipt generated.

In times of crisis the YMCA steps up. We love our community and have set up several [online options for health, fitness and connection](#) during this closure that you can access. When we re-open, we look forward to welcoming you back into our programs and services.

If you have any questions, please contact me at Dean.Dodge@ymcasaskatoon.org or Serena.Dallas@ymcasaskatoon.org.

For continuing updates on the COVID-19 situation in Saskatchewan visit the [Saskatchewan Health Authority](#)
