YMCA Blackstrap Day Camp

2026 Bus Stop Information

We provide busing from & to Saskatoon each day. This information sheet details the location and departure/arrival times for each Bus Stop. Bus Stops are chosen during the Registration process.

Please refer to the 2026 Information Package for program details including: sign-in/sign-out, authorized pick ups, and late pick-up fees.

Important Notes:

- **Drop-off and pick-up must take place only at the bus stop you registered for.** For safety and supervision reasons, we are unable to sign children in or out at alternate bus stops.
- If you need to request a different bus stop location, please contact us at least one week (7 days) before camp begins, as administrative planning and bus capacity limits require this notice.
- Please arrive 10 minutes before your departure time to allow time for sign-in and to ensure your child is on the bus as it departs.
- Please pick up your child at the scheduled arrival time. Late Pick-ups will incur a late fee to cover staff overtime expenses.
- From time to time, traffic and construction can prevent our buses from arriving exactly as planned. Please have patience and check your email if the bus is later than 20 minutes.
- If you miss the bus, it is your responsibility to drive your child out to camp. Please text or call the Camp emergency number to discuss with the camp staff when your child will be arriving.
- Typing: **YMCA of Saskatoon Blackstrap Day Camps** into google maps will provide you with the location of the camp, or there is a map and driving instructions at the end of this document.
